Electricity Requirements

Electricity is available on a limited basis, and is allocated to vendors based on absolute necessity (e.g. food refrigeration or preparation). Please be sure to indicate your need for electricity on your application. If approved, your booth location will be adjacent to an outlet. You are responsible for providing all necessary cords. Please do not overload circuits.

Farm Produce and Meat, and Plant Products

Kenosha HarborMarket proudly supports and promotes the quality of fresh, local, farm-direct products. All producers are encouraged to participate in the federal or state subsidized food programs and include signage at their tent. **FRESH vegetables, fruits, cut flowers, herbs, nursery and bedding plants, meats and fish MUST Be grown/raised in the states of Wisconsin, Illinois, Indiana, Iowa, Michigan or Minnesota.**

Vendors selling wild-caught ocean fish and other seafood will be individually considered based on its origins, and the uniqueness to HarborMarket. Other out-of-area products will be considered on a case-by-case basis. Vendors growing/selling/reselling more than \$250 of nursery items annual must obtain a Nursery Grower/Dealer License from the Department of Agriculture.

However, for local products, if you did not personally grow/raise all the products in your stall, you must display a sign with the origin information. At least 75% of your produce must be from your farm. The sign should say, for example, "Carrots, Sally Smith Farm, Rochester, Minnesota," or "Our meat products originate from farms in Wisconsin and Illinois." Market management reserves the right to visit farms. Please, if you didn't grow it, it's okay...just let folks know where and who did. No more than 25% can be grown elsewhere.

The Division of Health reserves the right to restrict the sale of particular types of foods or products. Processed food must originate from a licensed establishment.

You may also email Patricia.Shumaker@kenoshacounty.org at the Health Department for more information, or Adam.Barningham@kenoshacounty.org to apply for a license.

- Each food vendor is recommended to have a properly set-up hand washing sink inside their stall area.
- Vendors must wear gloves when preparing samples
- Ill vendors should not prepare samples (please see “Illness Policy” below)

Fire Department Rules

FIRE DEPT. Rules (two PDF Documents) are available on our website — we encourage you to carry them with you every week, so you can show inspectors that you have them. Open flames are not permitted.

Insurance

All vendors must provide a one million dollar “certificate of liability insurance” naming “Kenosha Common Markets, Inc.” as an additional insured on the policy. Your insurance agent will know exactly what document you need. You or your insurance agent may email this to aforgianni@kenoshaharbormarket.com. Please include the name of the business.

New vendor applicants may wish to wait for acceptance into HarborMarket prior to purchasing vendor insurance.

Please name the below as additional insured:

Vendor Conduct

A vendor may not leave the Market early, even if sold out. Use this time to advertise your products. In an emergency, a vendor may leave early, but all equipment and goods must be moved by hand or your handcart. Smoking (cigarettes, pipes, cigars, electronic-cigarettes) by vendors, their staff or market volunteers is not permitted within the Winter HarborMarket venue.

Vendors should behave in a courteous manner to other vendors, Market management and the public. Annoying behavior, including unnecessary noise, will not be tolerated. Vendors are not allowed to play music. The running of any gasoline or diesel motors, compressors, generators, or engines is not permitted. Vendors are responsible for cleaning all dirt, debris, spills, etc from their booth area prior to leaving. If the area is not clean, the vendor will receive a fine.

Parking

Free parking is located on the south side of the building, in the adjacent lot. Please do not park on the west side of the building - that is a fire lane.

Unloading and Loading

Vehicles may be unloaded under the covered carport on the south side of the building or at the rear doors of the venue hall (west side of the building). Please unload your vehicle, park and move your belongings. Several carts will be available for vendors to utilize. Please return them when you have finished unloading your items in the building.

At the end of the market day, please pack up your booth first, and then move your vehicle to underneath the carport or to the west side of the building to load. Carts will again be available for vendors to borrow. Please

return them when done.

WiFi

WiFi will be available. Login information will be provided at the Market.

Nonprofit Participation

Unfortunately, we do not have enough space to allow for nonprofit participation in the Winter HarborMarket.

Private or Personal Fundraising

Vendors may not solicit personal or organizational donations.

Health Vendors

To be considered a market “vendor,” these professionals must provide an actual service on-site (hearing test, chair massage, bone screening, etc.). If you are not providing an actual service on-site, then you are simply marketing your practice, thus considered a Sponsor. (For information on becoming a sponsor, email aforgianni@kenoshaharbormarket.com)

Clubs and Troops

Unfortunately, we cannot accommodate the hundreds of individual youth groups, clubs and troops who wish to fundraise at Kenosha HarborMarket. A group, club, or troop may participate only if it submits an official letter from the school’s principal or the regional troop manager authorizing it as the only group representing the entire school or organization that year. Clubs/troops may not sell or give away food or beverage products.

No Licensed Products or Multi-Level Marketing Allowed

Products featuring licensed imagery (such as NFL, NBA, or university team mascots or logos, cartoon characters, etc.) cannot be sold at HarborMarket. No multi-level marketing products or home improvement services are allowed in the Market. Other vendors of products and services should inquire about sponsorship opportunities for a presence at HarborMarket. All applications will be reviewed by the Kenosha Common Markets Board of Directors to ensure appropriateness for HarborMarket.

Sponsor Marketing Opportunities

For-profit businesses like banks, real estate, housing, assisted living, media, etc. whose purpose is primarily to market a service and not on-site sales are categorized as Sponsors. Sponsors have additional marketing opportunities for signage at the music venues, and links on our website. Please email aforgianni@kenoshaharbormarket.com for more information.

Vendor Discipline/Termination

Vendors are expected to cooperate with the HarborMarket management, and obey all rules, including , but not limited to, attendance, leaving their booth area clean and being available to sell during the entire market. If there is a problem, the vendor will be notified first verbally, and then in writing. Upon third and fourth occurrences, a \$25 and \$100 fine, respectively, will be due on the spot. Failure to respond and correct the problem, or pay the resulting fines, will result in termination of the vendor at HarborMarket, without any refund of rental fees.

Vendor Attendance Policy

Purpose

Kenosha Harbormarket and Kenosha Winter HarborMarket are weekly events held every Saturday in Kenosha, and organized by Kenosha Common Markets, a 501(c)(3) non profit organization. Over 100 vendor booths are set up every week during our outdoor season and approximately 30 during our indoor season. A successful market is a full market. A full market is visually pleasing to our visitors which increases foot traffic which results in increased vendor sales. Adherence to contractual attendance is the vendor's responsibility as a small business owner; a back-up plan for staffing is advised should the primary staff be unavailable. Vendor no call-no shows, excessive absences, late arrivals and early outs negatively affect the market's image and all vendors' financial success.

Definitions

No call - no shows: Vendor not providing notice by 9am Tuesday for that upcoming Saturday's market.

Excessive absences: 3 or more absences during any market season, regardless of notification.

Late arrivals or Early outs: Not ready for sales at start time or dismantling or leaving before the end of day (unless in case of emergency or directed to by HarborMarket staff)

Excused absences: A planned absence with written notice at least 2 weeks before the contracted date. Two occurrences are allowed per market season before penalties are assessed. Examples of these absences are for family or emergent illnesses.

**KCM understands that sometimes, despite the best of planning and intentions, life happens. As such, extenuating circumstances will be taken into consideration when determining penalties. Examples of such extenuating circumstances include vehicle accidents, health emergencies, death in the family and personal safety emergencies. This does NOT include circumstances which were, or could have reasonably been, foreseen.

Actions of Conditions Violations:

1st occurrence- documentation of the event via email.

2nd occurrence- documentation and warning of potential future fines

3rd occurrence- Fine of \$50 that needs to be paid in full before further attendance.

4th occurrence- Fine of \$100, with possible exclusion from the remainder of the season, without refund of fees paid.

After the 4th occurrence - exclusion from the remainder of the season, without refund of fees paid, and exclusion of participation in future events
